

Integrated Day Charter School
Governing Board

Policy Series: 5000

Policy Number: 5204

STUDENTS

HEALTH - ANNUAL SCREENINGS

The school nurse will provide the following screening programs:

- A. Vision – The Snelling Test will be given annually to every child in grades K – 6.
- B. Hearing – Audio screening will be conducted in kindergarten, first, second, third, fifth and eighth grade. In addition, any child referred by parents or teachers will be tested as the need arises.
- C. Postural – Students in fifth through eighth grades will be examined for spinal deviations such as scoliosis
- D. Tuberculin Tests – Mantoux Test may be offered to new personnel.

A written notice of any diseases or defects will be given to the parent or guardian.
