## Meet our caring, professional staff:

### **Rebecca Grillo**, Head Teacher

Six years ago the early child care program was created here at IDCS. At that time I had been working childcare for over ten years. I earned my Child Development Associate credential in 2000. Since then I have strived to make this program a warm and caring place for families of the IDCS community.

Learning through literacy and music

### **Beth Rudge**, Teacher

I have worked in the childcare field with infants and toddlers for the past 24 years. I earned my CDA three years ago and continue to enhance my education in early childhood to bring your children caring and up to date care.
