

Dear IDCS families,

The IDCS Foundation needs your help with our 2009-2010 fundraising efforts! The foundation's goal is to build an endowment for IDCS use. In the short term, we are also trying to create an outdoor learning area to utilize the land we have acquired. The foundation has a few exciting fundraising projects in the planning stages for this year.

First, we are creating "classroom projects" to be sold at the IDEA Winter Carnival and Basket Raffle. Mrs. Griffiths will work with the students to decorate furniture pieces. We are looking for wood furniture items such as bookcases, dressers or chairs. Here's an opportunity to turn your "gently used" furniture into useful projects that can bring donations to the IDCS Foundation.

In the spring of 2010 we will hold our annual silent auction. We are holding the auction off site this year. Hopefully, a new and exciting location for the auction will bring in more local businesses. The auction will have plenty of quick and easy volunteer opportunities that should fit in anyone's schedule. We would love to have your input to make the auction a success.

The foundation is always looking for more members. We meet in the afternoon of the third Thursdays of the odd months at the school. Please consider adding this into your schedule.

Sincerely,

Robin Tavares
