

Hoops For Haiti

Please join us for an hour of hoop fun to raise money for Haiti on February 10, 2010 from 4:30 to 5:30.

Purchase a hoop made by the children at IDCS with a donation of \$15 or more (80 hoops have been made, we can also take orders) ! All funds benefit the Haitian Health Foundation of Norwich.

Other opportunities to donate on that day include: a donation basket collection by the 7/8 grade students, buying hoop earrings designed by 5/6 grade students, face painting, and shooting "hoops"!
