On behalf of the **American Liver Foundation** Connecticut Division and the **2009 Liver Life Walk** in September, **TEAM HANNA BANANA** asks for your support as we prepare for this year's walk. Participants in the **Liver Life Walk** make a difference by raising the critical funds to support research grants, public education, and advocacy all in an effort to increase awareness and progress in the fight against liver disease. Many forms of liver disease are preventable, and many more can be treated effectively if detected early. The **Liver Life Walk** is a celebration of our commitment to a world free of Autoimmune Hepatitis and all liver disease. Please help us make that goal a reality!

Our sincerest thanks,
Hanna, Hayle, Cherie, and Rich Clark
