

Backus

So much fun – and safety too.

Warm weather is near – and so is Backus Hospital Safety Camp

Children and parents can learn more about summer safety through games and activities. Activities include free bike helmets, giveaways, face-painting, free food, 911 training, a smoke house, pedestrian safety, fire safety, boat and water safety and much more, including tours of LIFE STAR helicopters and fire apparatus.

Program free;
no registration required.
